All employers with worksites within the Keystone Central School District are required to deduct the Local Service Tax from their employees.

- If the Local Service Tax in the Municipality is \$10, the tax may be withheld and remitted in a lump sum.
- If the Local Service Tax in the Municipality is greater than \$10, the tax must be collected on a pro-rata basis determined by the number of payroll periods established by an employer for a calendar year. Employers are only required to withhold the Local Service Tax on a payroll period basis for those payroll periods in which the taxpayer is employed.

Please make note of the Exemption Income Levels:

- If the Local Service Tax in the Municipality is \$10, employees earning less than \$1,000 for the calendar year are exempt from the tax.
- If the Local Service Tax in the Municipality is greater than \$10, persons whose total earned income and net profits from all sources within the PSD is less than \$12,000 for the calendar year are exempt from the tax.
